This 9,120 m² plot is located in a peaceful area of Abanilla, surrounded by other houses and with easy road access. It is a special urbanizable plot, which allows for the construction of one two-storey villa per 2,500 m² of land (if you segregate the plot), making it ideal for a private residence or as a small development project. The property includes its own water well, and electricity connections are available nearby. The surroundings are calm but not isolated, offering both privacy and a sense of community. The land is flat and open, making construction simple and cost-effective. With enough space to build up to three houses (subject to local...(Ask for More Details!))
