Villa in Daya Vieja

€799,000

4	2	627m²	11,559m²	✔

A Mediterranean villa for those seeking something that is no longer easily found. In Daya Vieja, surrounded by vast expanses of farmland and away from the pace of more urbanized areas, we find a truly unique property. A Spanish Mediterranean-style villa, built in 1960 and set on a plot of 11,559 m². A space where the dimension of the property completely changes the feeling of living in it: there are no buildings around, no attached neighbors, and no need to leave to enjoy privacy and tranquility. The main house has 204 m², distributed across 4 bedrooms â€”3 of them doublesâ€, 2 large full bathrooms, and different spaces designed to enjoy...(Ask for More Details!)
