Charming Apartment with Renovation Potential on Plaza DrassanaOverlooking Plaza Drassana, this 83 m² apartment is part of a small residential community. It enjoys the morning sun, while French balconies fill the rooms with natural light. High ceilings and exposed beams give the home plenty of character. The apartment has three bedrooms, one bathroom, a spacious living room and a generous hallway. The smaller kitchen could be opened up to the living room to create a larger, connected space. The windows are double glazed. Ready for renovation, this is an opportunity to create a home of your own with the life of the square just outside.
