Exclusive Investment Opportunity: Business Complex in a Prime Location We are pleased to present an exceptional business complex comprising two fully equipped and operational spaces: the renowned Budapest Restaurant and a fully fitted clinic, both available for lease or immediate business operation. The project is delivered completely finished and with all licenses in place, making it an outstanding opportunity for investors or business owners seeking to establish operations in a consolidated, high-potential area. The complex also features a large private parking area currently serving both units, while offering significant additional development potential. This space could be transformed into an exclusive leisure area with a swimming pool and terraces,
