This concrete construction has 30m2 and needs to be completed, there is also a possibility to add another 20m2. There is mains water (irrigation water) and the plot of nearly 2100m2 is fully fenced. There is no electricity so a solar system is required, a complete off grid set can be bought at Obramat for just under 7. 000 euro (this even includes a back up generator). There is a cesspit made with good pipes. It is currently registered as a warehouse, but once completed (adding a bathroom and kitchen) you can change it to a house. There are about 15 olive trees, and furthermore there...(Ask for More Details!)
