Villa in Ciudad Quesada

€649,000

6	3	285m²	770m²	N/A

Welcome to Ciudad Quesada an exceptional, fully detached luxury villa offering an outstanding combination of space, construction quality, privacy, technical excellence and investment flexibility. Originally built to exceptionally high Swiss construction standards and meticulously maintained by the same owners for the past 20 years, this impressive property has been designed for comfortable year-round living while offering exceptional potential as a multi-generational family residence, a home with independent rental income, or a high-performing holiday investment. An independent architect's report confirms the property's fully legal and registered status, with all existing structures GPS-mapped, permitted and reflected in the official property documentation. With accommodation
