Unique restoration project for sale in countryside of Rodriguillo, only 4 km from Pinoso. Parcel of roughly 29650 m2 offers house of 108 m2 in the slope. The building is written in deeds, waiting for total reconstruction. Solid stone walls and beautiful location makes it a tremendous opportunity for either investment or a new residence in picturesque and tranquil environment, yet close to all amenities that Pinoso can offer. The parcel features a dirt road and plenty of space for landscaping, gardening or agricultural ventures. Most of the parcel served as a vineyard or almond orchard in the past. The land does not have a water connection, but drinking water...(Ask for More Details!)
