Spacious terraced apartment on the first line with stunning sea views. The east-facing front garden of the apartment is bathed in light from the first moments of the morning. The large glass door in the living room lets the light flood in. In addition to the living room and a beautiful and spacious separate kitchen on the ground floor, there is a utility room and one toilet. On the middle floor there are two spacious bedrooms with their own bathrooms. The master bedroom opens up to breathtaking views directly to the sea. Every sunrise is unique, you can wake up every morning to a magnificent spectacle of nature,...(Ask for More Details!)
