Unique Home for Sale: Live the Design, Feel the Nature. The design of this home is defined by the uniqueness of its plot, making it an alternative to the ubiquitous cloned residential model along our coastline. More than a conventional building, this house proposes a new way of living, maximizing the benefits of Alicante's Mediterranean climate, where the average annual temperature hovers around 19Â°C. The architecture organically adapts to the boundaries of the plot, shaping its form through walls that delineate the space and create a fluid connection between the interior and exterior. Through a series of courtyards, the distribution of spaces is naturally organized, transforming the...(Ask for More Details!)
