Buildable land planted with a vineyard in production! Approximately 10 min drive from town of Yecla, you will find this treasure for your next Spanish venture - a 3.5 ha vineyard, on flat land, well-kept, in full production! This vineyard of Monastrell, the most typical vine of the region, harvests around 25.000 kg of fruit a year! Great value! It is connected to irrigation water, and irrigation system is in place. Mains electric is close. The area is a tranquil, agricultural neighbourhood, with nice mountain views. Furthermore, the land is legally buildable! You are allowed to build up to 5% of its size for residential, but also agricultural...(Ask for More Details!)
