This exceptional villa is situated in the sought-after Oasis area of Los Narejos thoughtfully arranged into five independent apartments. Each unit is fully self-sufficient, featuring its own kitchen, bathroom, living area, and bedrooms, providing outstanding versatility. The layout makes the property ideal for extended families, multiple households, or as a high-yield investment with excellent potential for both short- and long-term rentals. Alternatively, the villa can be reconfigured into a magnificent single-family residence. The home also boasts superb leisure facilities, including a covered swimming pool suitable for year-round enjoyment, a separate jacuzzi for relaxation, and a large garage with ample space for several vehicles and storage.
