This property is currently rented, but the owner wants to sell it with the existing lease. All leases include insurance to guarantee the rental income. Once the rental agreements expire, you can do whatever you want with the property; it's yours. The only difference now is that you are buying the property with the existing lease, which we are obligated to honor, while the owner wants to sell due to their own circumstances. The current lease began in April 2023 and ends in April 2030, guaranteeing an income of â‚¬940 per month until April 2030. The purchase price of the property is â‚¬237. 000.
