Beachfront Studio Apartment with Storage Room in Estepona This frontline beach studio apartment is located in the popular Costa Galera area of Estepona, offering impressive Mediterranean Sea views and a fantastic position directly by the coast. The apartment offers an open-plan living and sleeping area, one bathroom, and an additional storage room. While the storage room is not large enough to be considered a bedroom, it provides useful additional space for belongings, luggage or general storage. The property also benefits from its own private south-east facing terrace, enclosed with glass curtains, allowing the space and sea views to be enjoyed throughout much of the year. Recently refurbished, the apartment includes air...(Ask for More Details!)
