Land a Plots in La Romana

€40,995

0	0	N/A	13,165m²	N/A

Embrace the opportunity to own a substantial plot of land spanning 13,165m2, situated in the heart of the picturesque Spanish Mediterranean countryside. This property boasts not only size but practical features for agricultural pursuits. While the property currently lacks electricity, a connection point in close proximity offers a convenient solution for future development. The land is designated as buildable, providing flexibility for those with visions of creating a bespoke residence in this serene setting. One of the most appealing aspects of this land plot is the breathtaking panoramic views of the Spanish Mediterranean countryside. Imagine waking up to the beauty of rolling hills and expansive vistas every day. Whether you...(Ask for More Details!)
