House to renovate in idyllic Spanish hamlet â€“ near Font AlmorquÃ-This unique renovation project is located in a charming hamlet, surrounded by unspoiled nature and near the beautiful Font AlmorquÃ- area. On a generous 750 m² plot, you'll find a partly renovated house (also sold separate in our reference 69009), another characteristic house to be renovated completely, two dilapidated barns, and what was once a charming chapel (our reference 69014). The first house is partly renovated (complete roof has been renewed). The main house exudes history but requires complete renovation. There is currently no water or electricity connection, but proven solutions exist in Spain, such as solar panels for energy...(Ask for More Details!)
