Country house to renovate located in a beautiful natural setting, with 120 m² of built area on a spacious 3,000 m² plot. The property currently has no connection to the electricity, water, and it is not fenced. The house can legally operate fully off-grid, offering an excellent opportunity for those seeking independence and a sustainable lifestyle. Our agency works closely with trusted builders, lawyers, solar energy company, security providers, and other professionals to support you throughout the entire reconstruction and moving-in process. An ideal project for buyers looking to create a personalized home in a peaceful rural environment. About the area: Yecla is a charming and historic town of app....(Ask for More Details!)
