Villa in La Mairena

€3,495,000

6	6	437m²	1,529m²	N/A

This exceptional detached villa in La Mairena is a masterclass in Mediterranean elegance, offering a rare combination of architectural scale and natural serenity. Set upon an expansive private plot of 1,529 m², the residence is perfectly oriented toward the East and South East, ensuring that the 437 m² of interior living space is flooded with the soft, golden light of the Costa del Sol from dawn until dusk. From its elevated position, the property commands a staggering panoramic outlook that transitions seamlessly from the deep blue of the sea to the rugged Sierra de las Nieves and the lush, protected forest canopy that surrounds the estate. The home's layout was...(Ask for More Details!)
