We offer in the town of Hondón de las Nieves in the Rebalso area a fantastic plot with easy access on a high part of a small hill with fantastic views. The plot has approximately 2,500m² and is ideal to put a wooden house or caravan to spend weekends and recreational days. It has a light pole very close where the connection could be requested and the irrigation water meter just 30 m² away to be able to connect the water. It was purchased as an investment to build a small wooden house, but due to work reasons the project has been abandoned and it is being sold. If you...(Ask for More Details!)
