Magnificent ultra contemporary design villa recently built in an exclusive gated community. Located close to Puerto Banus and Marbella, this property is within walking distance to local amenities. With a built area of 809m distributed over three floors and a solarium, this house has all the amenities you can imagine. On the main floor, you will find open spaces with an impressive living room, fireplace and double height ceiling. The kitchen is fully equipped, with a large island and breakfast bar. There is also a guest suite, a guest toilet and an office. Upstairs, you will find the master suite with an impressive open plan bathroom and dressing room, as...(Ask for More Details!)
